● EXPERIENCE

● Altimetrik Full-time · Chennai

DEC 2024 — PRESENT

● Senior UX Designer · Nasdaq

JAN 2026 — PRESENT

Designing intuitive, scalable experiences for complex, data-driven financial platforms — partnering with product, engineering and research teams across Calypso's capital-markets streams.

● Senior UX Designer · Ingenico

DEC 2024 — DEC 2025

Crafting seamless experiences for payment terminals and digital commerce — a unified developer portal with self-service onboarding, SSO and API documentation.

● UX Designer Softura

MAR 2021 — FEB 2024

Three years of user-centered product work — research, wireframes, prototypes and polished interfaces, shipped with cross-functional teams for consistent, high-quality delivery.

● UI / UX Designer Scripters Zone

MAR 2019 — MAR 2021

Designed user-friendly web and mobile interfaces; wireframes and prototypes in Adobe XD with tight design consistency and brand adherence.

● EDUCATION

B.Sc. Computer Science

Kathir College of Engineering · 7.2 CGPA

2016 — 2020

HSC · 82% / SSLC · 90%

M. Nanjappa Chettiar Mat. Hr. Sec. School

2013 — 2015

Six products, end to end

problem → shipped UI

Nasdaq

8 MO

CALYPSO · CAPITAL MARKETS

UX across two of Calypso's 12 streams — Security Finance and Collateral Management. Margin, exposure and inventory turned into legible, design-system-driven trading screens.

Ingenico

12 MO

DEVELOPER PORTAL · PAYMENTS

A fragmented developer portal unified into one self-service ecosystem — sign-up to “Hello World” in minutes via SSO, guided onboarding, API docs and test-terminal ordering.

Komatsu

10 MO

FLEET DASHBOARD · IOT

Fleet intelligence for 500,000+ connected machines — machine health, coverage, alerts, parts inventory and bill of materials in one actionable view.

Fleet Cost & Care

6 MO

FLEET MANAGEMENT · SAAS

Modules across the fleet business — org hierarchy, rental quotes, CPQ, company, user, project and region management for crane, rigging and construction fleets.

USSSA

12 MO

SPORTS OPERATIONS

Tournament operations for a national governing body — venue, field, officials and schedule management with automated match fixtures at 8,000+ events a year.

BrightView

6 MO

LEADR · ENTERPRISE ORDERING

Back-office ordering for the US's largest landscape company — order, bulk-order, rebate and revenue management with multi-level approvals.
